Highlights

Face Cleansing Brush Bristles
The brush comes with a unique combination of bristles of thicker and thinner bristles. The thin bristles reach the pores and cleanse them well, while the thicker bristles swipe away the dirt. The deep pore cleansing brush helps to reduce blackheads and is designed to make pores less visible. It easily reach difficult areas around the nose. An easy way to a clean and healthy looking skin without impurities.

3 months of face care use
Replace the brush regularly for the best cleansing results. The brush is easy to replace by simply pulling off the brush from the device

Size and shape
Perfect size and shape to easily reach all face areas
